Re: Comments of Petitioner
Tennessee Colony and Groesbeck, Texas
(MB Docket No. 05-47)

Dear Ms. Dortch:

Enclosed is an original and four (4) copies of
Comments of Petitioner for Channel 300A at Tennessee
Colony and Channel 299A at Groesbeck, Texas.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Charles Crawford".

To: John Karousos, Assistant Chief
Audio Division of the
Media Bureau

COMMENTS OF PETITIONER

I, Charles Crawford, respectfully submit these
Comments in support of my Petition to amend the FM Table of
Allotments to add Channel 299A at Groesbeck, Texas and also
my Petition to amend the FM Table of Allotments to add
Channel 300A at Tennessee Colony, Texas.

DISCUSSION

Petitioner respectfully submits that the public
interest would be served by allocating Channel 299A to
Groesbeck, Texas as that community's first local FM
allotment and Channel 300A to Tennessee Colony, Texas as
that community's first local FM allotment.

On February 7, 2005, the Commission released a Notice
of Proposed Rule Making for Tennessee Colony, Texas, MB

Docket No. 05-47, in response to my Petition for Rule Making, dated October 30, 2003. On March 8, 2005, the Commission issued a Public Notice incorporating the Petition for Rule Making for Groesbeck, Texas into the Tennessee Colony proceeding. In addition to the Tennessee Colony Petition for Rule Making, I am also the proponent of the Groesbeck, Texas Petition for Rule Making.

The reference coordinates for Channel 300A at Tennessee Colony are identified in the Notice of Proposed Rule Making released February 7, 2005 as: 31 51 38/ 95 47 49. The reference coordinates for Channel 299A at Groesbeck, Texas are identified in the Public Notice released March 8, 2005 as: 31 28 54/ 96 24 49. The distance between these 2 set of coordinates is 72.005 kilometers which meets the minimum separation distance requirements for first adjacent class A stations. (See, Attachments A & B) Therefore, the Commission can provide Tennessee Colony with its first local FM service and the deserving community of Groesbeck with its first local FM service.

Therefore, should this petition be granted and Channel 299A at Groesbeck, Texas and Channel 300A at Tennessee Colony, Texas are allotted, Petitioner will apply for Channel 299A at Groesbeck and Channel 300A at Tennessee Colony and after they are authorized, will promptly

construct these new facilities.

The factual information provided in these Comments of
Petitioner is correct and true to the best of my knowledge.

Respectfully submitted,

A handwritten signature in black ink, appearing to be 'Crawford', written over a horizontal line.
